Message from Founder's Desk

FOUNDER
MR. INDER SINGH SANGWAN

Education is the only relevant tool to develop the economy as well as the Society globally. An educational degree is not sufficient enough to compete in today's challenging and demanding corporate world. Our aim at Siddharth Group of Colleges is to equip and develop every student as a multifaceted person, confident to exploit the challenges and turn them into opportunities.

Our endeavour is to develop academic awareness and raise the level of quality professional education in various disciplines. To achieve our mission we have credentials of rich experience, a dedicated team of faculty members and State of the art infrastructure. We as educators lit the light of change and groom our young achievers into ethical and valued leaders of tomorrow. The only constant thing in life is change and every year we welcome young minds, empower them to uncover their hidden talent and to bring out the best lying within them.

The journey of success has to be travelled with farsightedness, strategy and dedication and it's destination is excellence. I welcome you to Siddharth Group of Colleges- Siddharthnagar to embark on a journey of success through education and excellence.

Education is the
passport to the future, for
tomorrow belongs to those
who prepare for it today.

Message from Chairman's Desk

It gives me immense pleasure to welcome you at Siddharth Group of Colleges, a premier professional educational institution of north India that has emerged as one of the leading institutions of the country. At Siddharth Group, we offer varied options of traditional as well as modern professional courses so as to provide a skilled platform to young brains to hone their professional skills. In this era of global interdependence, educational curriculum, skill development and enhancement needs to be multidimensional and capable to cope with global challenges. We believe in value based education which is progressive and globally competitive. Our professionally designed curriculum, experienced and learned galaxy of faculty members provide an ideal value based learning environment through interactive learning, lab practical, industrial visits, sessions from industrial experts, seminars, to name a few. Education plays pivotal role in achieving overall growth at national and international platform. We are on the path to serve humanity by providing value based quality education to the students from different strata and regions of the country. Strongly believing in our vision, we are certain to achieve our mission. I am confident that the experience and knowledge you gain here will lead you towards an exciting and global career journey.

Wish you all the best for your rewarding career.

CHAIRMAN
MR. PRAVEEN CHOUDHARY

Message from Chairman's Desk

DIRECTOR
MRS. SUNITA CHOUDHARY

Welcome to all the students in Siddharth Group of Colleges. I promise to all students to provide them world class facility in the campus. All the labs and laboratories are well equipped with all modern & high-tech equipments.

We are sure that the education and skills that you acquire from our institution as a student would equip you for your personal and professional achievements and thereby contributes to the enrichments of society and the nation. In higher education, quality of education and environment are very important aspects.

One of the most important target in the minds of new entrants, as they join a course, is employment avenues and placement potential of the course. Our aim is the train the students, armed with the ability to work effectively and efficiently, across professional boundaries, so that they can emerge as leaders and innovators in their chosen professions. Wish you all a very bright academic future.

Siddharth Group of Colleges

Pikora Siddharth Nagar

About Us :

"Born with Perfection" To become one of the top, state-of-art & Research Institute of the country and successfully meet the challenges posed by global competition. Companies today are looking for visionaries who can create the future, and then execute with the speed and excellence it takes to succeed. A CONFLUENCE OF ENERGY

The Training & Placement Cell, Siddharth Group of Colleges Saharanpur facilitates the process of placement of students passing out from the Institute besides collaborating with leading organizations and institutes in setting up of internship and training program of students. The office liaises with various industrial establishments, corporate houses etc which conduct campus interviews and select graduate and post-graduate students from all disciplines. The Training & Placement Office provides the infra-structural facilities to conduct group discussions, tests and interviews besides catering to other logistics. The Office interacts with many industries in the country, of which nearly 200 companies visit the campus for holding campus interviews. The industries which approach the institute come under the purview of: Pharma Industry. The placement season runs through the course of the year. Job offers, dates of interviews, selection of candidates etc. are announced through the Training & Placement Office. The Placement Office is assisted by a committee comprising representatives of students from the under-graduate and post-graduate engineering streams. The committee evolves a broad policy framework every year besides a set of rules which are inviolable. Students members are closely co-opted in implementing these policy decisions.

Training: There is an active placement department in the campus which is putting in all out efforts for organizing several placement activities throughout the academic year for Siddharth Group Of Colleges. The placement department has given wonderful opportunities to our students in various companies of repute with handsome packages. There is concerted focus to ensure that students work towards academic excellence to get the best results, keeping in mind the industry bottom line of 60% & above in their respective professional streams. For this purpose, faculty is directed to keep constant vigil on the performance of students & make all required efforts to ensure the same. Best of faculty is deployed & best faculty award is given to encourage the faculty towards this endeavour. To give them a feel of industrial environment, students undergo industrial training as part of their curriculum. They also undertake minor industry related project in pre-final semester and a major project in the final semester. Special sessions to hone up technical basis, skills & much needed communication skills are conducted on a regular

CLASS ROOM

Doon group of colleges takes pride in introducing smart class rooms. Lectures are delivered by professors through interactive panels & interactive white boards. Notes are sent through e-mail by the professors in smartclass hence say good-bye to pen-pencil-paper. State of the Art Classroom The campus, hostels, wi-fi Enabled lecture halls, syndicate rooms faculty & administrative blocks, a state-of-the-art computer centre All the classes rooms are well equipped with LCD projectors. -Recreational Facilities - Lawn Tennis, Badminton, Table Tennis, Billiards, Gymnasium, Recreation Room, TV, Lounge & Canteen are some of the facilities provided on campus. Yoga classes are conducted for the fitness freaks. Facilities like ISD/STD Telephones, Fax, E-mail, Internet & Medical aid are also available on the campus.

LIBRARY

A well stocked library is the backbone of any institution. The Central Library of the College comprises of a spacious, well furnished and illuminated hall with adequate seating capacity for the students. At present the library has an affluent collection of 1,50,000+ books as well as 120 National journals and 58 International journals. Also the library has a wealthy collection of more than 95 National and International periodicals. More than 10 newspapers are subscribed to the library like Times of India, Economic times, Business Standard, The Hindu, Business Line, Employment News, Hindustan times etc. We also have a separate reading room for the students in postgraduate classes in order to emphasize upon the reading and inculcating the habit of reading journals and other periodicals.

COMPUTER LAB

There are more than 35 spacious computer labs equipped with about 1550 computer sets with the latest configurations and the state-of-the-art software. All the computer systems are connected by LAN & 24-hour's internet connectivity is provided for the benefit of students as well as faculty members. The windows, UNIX and LINUX software packages such as Drawing and Drafting package (AUTOCAD), Multimedia, Animation and various editing packages are made available to create simulated environments to suit not only the curricula very well but also to go beyond it. The College has established a State-Of-The-Art Computer Laboratory with terminals with the latest Pentium based computers for the student and faculty members. The Laboratory has an independent high speed Radio Link with extensive bandwidth. It also has the latest software required for teaching purposes. The students and faculty are encouraged to use the Laboratory extensively to keep in touch with the latest developments in the field of Dentistry and Medicine.

SEMINAR HALL & AUDITORIUM

The college possesses a state-of-the-art fully air conditioned conference hall with a seating capacity of three hundred people and an auditorium with seating capacity of seven hundred people is planned. Work is in process to equip the Seminar hall and Auditorium with the excellent work of modern architecture, latest acoustics and sound system. The auditorium shall reflect an The Seminar Hall & Auditorium is going to be a venue for various seminars symposia & lectures by eminent personalities sharing their knowledge & views with students of Doon Group..

DEPARTMENT OF PHARMACY

Bachelor of Pharmacy (B.Pharm) is a four-year undergraduate programme designed to introduce students with the properties and impacts of pharmaceutical drugs. The programme helps students in developing the skills essential to counsel patients about medication and use of drugs. The curriculum and syllabus for the course are as per Pharmacy Council of India (PCI) the statutory body governing pharmacy profession in India. The core pharmacy subjects include Pharmaceutics Pharmaceutical Chemistry Pharmacognosy and Pharmacology. Under this programme the emphasis is laid on human anatomy drug dosage drug action and reaction active ingredients used in the formulation of the drugs and how to maintain their quality in the storage. In addition the programme also concentrates on preparing the students and training them for industry-ready holistic pharmaceutical care in the practice setting. The industrial visits and equally important practical sessions ensure students receive a perfect exposure to the real-world situations while learning.
